AMENDING PARAGRAPH N OF DEPOSITION PROTOCOL**

All provisions of CMO 28 are unchanged except for paragraph “N-Correcting and Signing Depositions”-which is changed from “If no corrections are made within forty-five days of the deposition or during this time” to “If no corrections are made within forty-five days of the deposition or within 30 days after receipt by the deponent of the deposition transcript, whichever is later”.

**N. Correcting and Signing Depositions**

Unless waived by the deponent, the transcript of a deposition shall be submitted to the deponent for correction and signature within forty-five (45) days after the end of the deposition, unless the court allows a supplemental deposition pursuant to section C (3). If no corrections are made within forty-five days of the deposition or within 30 days after receipt by the deponent of the deposition transcript, whichever is later, the transcript will be presumed
